**Peter and Olivia Blackmore**

*Waitane Dairies Ltd*

**Location:** Waitane  
**Industry:** Dairy

The LIC Dairy Farm Award recognises the dairy farmers who demonstrate choices that have been made to farm for the long term. Considerations will be made around the wise use of the land, labour and capital resource available or created. Increasingly the effects of dairy farming on both surface and groundwater and its impact on soil properties are also factors. There were 10 awards received throughout New Zealand in 2017.

The overall objective of the Ballance Farm Environment Awards is to promote sustainable land management on New Zealand farms believing that role models and education are effective tools to improving farming practices. The Awards programme is run in 11 regions throughout New Zealand.
